WEBINAR WILL COVER:

- Understanding Canine Behavior
- How different dogs react
- Importance of understanding canine dominance and pain tolerance
- What should you be carrying while doing your job
- What PPE's are best and how to use them
- Site evaluation
- Situational awareness
- Fence and Barrier
- Entering and leaving the yard safely
- Why dogs bite
- The customer and how you must understand that dangerous dynamic
- Defending yourself from one or multiple attacking dogs
- Your weakness/the dog's weaknesses
- Understanding Pit Bulls but know there are other large dangerous breeds
