

NEW STREAMING VIDEO: 2024 EMPLOYEE TRAINING VIDEO ON DOG BITE PREVENTION

Choose between a one-time purchase or a quarterly or yearly subscription. Access the content at your convenience. Determine the number of trainers/users you wish to provide access to, as pricing will adjust based on your selection.

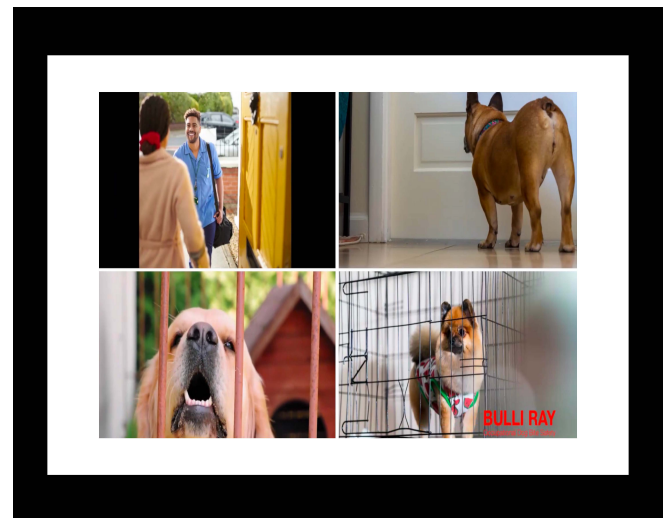

A cost-efficient solution for safety trainers to present our new 5-Chapter Employee Dog Bite Prevention Video at a time that accommodates their training schedules.

Bulli Ray has released a "NEW" Dog Bite Prevention video, filled with crucial life-saving tips. It features 5 chapters and runs for 18 minutes, offering essential guidance for field employees facing aggressive dogs or packs. It covers safe interactions with customers and their dogs, among other topics. The streaming video can be shown to individual employees or entire classrooms. Great for new employee training.
